

DRAFT STUB JEFE'S RAMEN CIC • PUB RESIDENCIES

Partner Pack

Restaurant-quality Buy 1 Give 1 ramen in your kitchen. You keep 100% of the bar.

What we bring

- Full ramen service — broth, noodles, toppings, team
- Buy 1 Give 1 built in: guest bowl funds a matching meal through local support partners — not necessarily on the same night
- Brand heat that fills midweek covers
- Marketing support via @jefesramen

Typical offer

- £2,500 / 6-month residency [confirm]
- 2—3 nights a week
- Pub keeps 100% of drink sales

Example (Marketing Stockport coverage of Swan With Two Necks): six nights added £2,000+ drink sales and ~40% more traffic on quieter days — a real report, not a guarantee.

Community hosts

Pubs that can't pay the fee can still host when nights are underwritten by other partners or campaign support. [confirm community-host process]
